I will resend the budget but I was wondering if we should not put something as "Doubtful Accounts" or "Uncollectable Estimate" with the LA Recovery Cost...

Specifically \$8,349.60 or 60% of the LAUSD Assessment

We'd have to move something out of Communication/Marketing....like Public Events or Newspaper Ads ????

We won't collect the funds so we should be planning for that rather than making plans to do something with money we won't have.

GREAT JOB Last night. Thank you so much for your efforts. I think we are on a good track for next year.

I will call Laurie in an hour to discuss.

I sent it to him with some questions before submitting the final. I have to submit it online tomorrow after he answers a question. I also need a corrected copy of the budget. Thanks

Laurie, from the email below, it looks like the revised report went to the city. Is the copy attached the same that went to Rick Scott?
